- Note:1.The figures of Year/Month represent the beginning of the year till the end of given month.
 Note:2.Started from January 2001 till August 2006, the insurance products filing are divided into examine-and-approval policy, file-and-use policy, and use-and-file policy. The policy would be approved if the application is not rejected within 15 working days after submission. Examine-and-approval policy should be approved within 60 working days after application is submitted.
 Note:3.Started from September 2006, the insurance products filing are divided into examine-and-approval policy and use-and-file policy. Examine-and-approval policy should be approved by Insurance Bureau before it's sold. Use-and-file policy should be submitted its filing material to Insurance Bureau or appointed institute within 15 working days after it's sold.
 Note:4.The above table demonstrates only the number of new insurance products filing. The figures of examine and approval policy before December 2016 include policies under preliminary review and reexamination. Starting from January 2017, the figures include policies under preliminary review only.
 Note:5.The number of all insurance products submitted for review is 1,009 in 2024 (up to February, including new products and existing products with partial amendment). Particularly, Non-life insurance products submitted for review totaled 270 including 1 submitted for prior approval and 269 submitted under use-and-file policy. Life insurance products submitted for review totaled 739 including 0 submitted for prior approval and 739 submitted under use-and-file policy.

Note: 1. The annual and monthly figures are cumulative figures from the beginning of the year to the end of the given month.

Note: 2. The premium income indicated in this table represents written premiums collected during the specified period (including expected losses, the business expenses of insurers, contribution to the Stabilization Fund, overhead associated with actuarial calculation of rates, research and development, information inquiry services, information transmission and other expenses necessary to ensure the soundness of this insurance. However, this does not include contribution to the Compensation Fund.)

Note: 3. Prior to December 2009, the statistical data for the number of policies in force indicated in this table was calculated based on the statistical cutoff month. Starting from January 2010, the calculation is based on the statistical cutoff date, which is also the last day of each month.

Note: 4. Since 2007 the figures in this column are liability-based paid losses, which are calculated the amount of the automobiles, motorcycles and mini electric two-wheel vehicles claims paid for the year.

Note: 5. Mini electric two-wheel vehicles will be added from November 2022.
